Headteacher's Welcome

Dear Applicant,

A warm welcome to Stoke Newington School (SNS) and thank you for your interest in the post for **Head of Business Studies**. This is an exciting time to be working with us as we move forward to enhance our offer, so we achieve outstanding academic outcomes and close the gaps in student achievement.

We are an oversubscribed school with a diverse and enthusiastic student intake reflecting our local vibrant community. Our recent Ofsted inspection (July 2022) recognised us as a “Good” school with many strengths. Our students are “proud of the diverse nature and inclusive ethos of their school. Enthusiastic and committed teachers make lessons interesting for pupils,” and “teachers have strong subject knowledge and are passionate about their subjects.”

This is a key post for our school. You will become one of a strong team of middle leaders who oversee outstanding practice in teaching our diverse student intake. We expect you to be able to teach across our full age range, including A level. Whatever age group you are teaching we will expect you to be planning thoroughly for the engagement and progress of every student and to be promoting the enjoyment of A level Business Studies. We will expect you to be an advocate for students following degrees in Business.

You must have excellent interpersonal skills, a strong team ethic, drive, determination, energy, and the highest expectations of every student. You must be committed to excellent provision for our students in terms of classwork, homework and additional catch-up or enrichment classes.

We are committed to our pledge of being an anti-racist school and strive to have a workforce reflective of our school body. Applicants from Black and Global Majority backgrounds are strongly recommended to apply.

Best wishes,

Zehra Jaffer
Headteacher

Staff Benefits

We understand teaching and working in schools can be hugely rewarding but can also be demanding. Our staff are totally committed to the young people, colleagues, and families in our community. We seek for all our staff to have a healthy work-life balance. Our staff benefits are one way we show our appreciation to our staff.

Development and Training

Quality continuing professional development is essential to ensure everyone maintains and enhances the knowledge and skills necessary for a positive learning environment. As practitioners, we seek to be well-informed about recent evidence-based research. At SNS, we allocate time to implement strategies so teaching practice maximise the learning in the classroom. The SNS Teaching and Learning Hub is the teacher training, professional development, and quality assurance element of our school. The Hub, led by the Assistant Headteacher leading on Teaching and Learning together with the Lead Practitioner and Early Careers teacher Mentor, provide support and expertise to staff and departments across the school.

Flexible and Family Friendly

We know it can be challenging finding the right work-life balance. We want the absolute best people to work in our school, and so we want to support flexible working. We are able to consider flexible and family friendly working opportunities to include part-time, term-time working and job-sharing arrangements. The number of part-time staff is above average for similar schools, and we always try to accommodate if the timetable and resources permit. It is important that staff who are parents, do not miss important milestone events, such as your child's first day at school or graduation. Where we can, we will support these important

moments. As part of our admission policy, staff members with children who wish to attend SNS are given a priority school allocation.

Pensions

Pensions are an important part of our life planning. We understand that and we want to make it as easy as possible for you to access the right pension scheme for you. When you join SNS, you are eligible to join the relevant pension scheme.

Health and Wellbeing

Balancing everyday life with the requirements for work and home can create pressures for all of us. Work is a large part of people's lives. Each member of the teaching staff is equipped with a laptop. However, it is vital to ensure that there is a productive, healthy environment that is conducive to a healthy lifestyle. We actively encourage emails to only be sent during 7am and 6pm of a school day, and not during the weekend. The school will operate a texting service to alert staff should there be a need in an emergency.

A subsidized lunch from our school canteen helps our staff through the day. The culinary offer is wide and highly popular with staff and students alike.

Optical expenses – we offer free eye tests for staff who use display screen equipment.

All employees are part of the Employee Assistance Programme. The Employee Assistance Programme is a 24/7 confidential service giving employees access to a range of support from lawyers, health, and wellbeing professional, financial and debt specialists, and counsellors. This free service can be used to support you with any personal or work-related issues that may be affecting your wellbeing.
