

## State Street Vocational Trainee Programme

An opportunity to work full-time whilst studying towards a fully-funded degree.

Two candidates will start with State Street on an initial three and a half year contract and will start work in a specific business specialism at State Street, but at the same time the candidates will also be exposed to other areas within the bank.

During the first two years, the candidates will study towards a HND in Business (Accounting & Finance) at the European College of Business and Management as well as a separate banking qualification (Bankkaufmann / Bankkraudfrau).

Upon successful completion of the HND, there is study for a further year and a half to top up to a BA (Hons) degree in a business related field.

The start date is September 2017.

To be eligible for this scheme, you will need to have:

- A-C GCSE Maths and English ; and
- A levels (BBB, 300 UCAS points)
