

Stoke Newington School and Sixth Form

Pupil Premium Grant (PPG) and Literacy and Numeracy Catch-Up Premium – Year 7

Total number of pupils on roll in year 7	255
Total number of pupils eligible for the PPG in year 7	103
PPG funding per pupil	935
Literacy and Numeracy Catch-Up Premium	11,048

Aims

Our school has the highest aspirations for all our students and we make every effort to ensure that our students who are not financially advantaged or have not achieved KS2 standards in English and Maths receive excellent support during their first year of secondary school.

We use our Pupil Premium Grant (£935 per pupil) and Literacy and Numeracy Catch-Up Premium to provide the following support to our year 7 pupils.

Provision for year 7 in 2016-17 allocation £11,000

Students eligible for PP funding or who enter our year 7 cohort below KS2 standards during 2016-17 will have benefited from one or more of the following:

- Smaller class sizes in English and Maths at KS3
- Involvement in intervention groups for English and Maths
- Subsidised places on school visits which go beyond core provision
- Literacy Intervention teacher post
- KS3 Closing the gap leader post
- Homework club resources

Measuring the impact of PPG funding for year 7 in 2015-16

The impact of our interventions is evident in the achievement data for year 7, collected at the end of the academic year:

- Reading: 90% of students involved in literacy intervention improved their reading ages, 64% by more than 2 years. Students involved in paired reading made on average 5.6 times the expected progress with their reading ages. Students on the LIT programme made on average 3.3 times the expected progress with their reading.
- English:
68% of year 7 students have made secure or advanced progress
- Maths:
26% of year 7 PPI students have made secure or advanced progress
- Across subjects: 43% of students made secure or advanced progress

Priorities for support from the PPG and Literacy and Numeracy Catch-Up Premium in 2017-18: Allocation £ 11,000	
Literacy intervention for all year 7 students who need it – small groups.	
Part funding of Literacy leader and KS3 support leader	
Part funding of KS3 Literacy intervention teacher	
LIT programme – MFL withdrawal	
Paired reading	
Part resourcing of Turkish/Kurdish home school liaison worker	
Inclusion team staffing working with FSM students to support engagement.
