12	123/Ge - AOS I have uploaded various documents to Google Classroom to allow students to begin preparing for their NEA. They are to be in regular contact with me about their proposed titles.	How are regeneration projects led? Complete the group work research project yourself. <i>I will upload a Power Point to Show my Home Work on the topics that should be covered every week.</i>		Re-imaging and Marketing Why is it necessary to re-market a “place” to instigate regeneration? <i>All lessons and textbook scans of the three text books can be accessed here:</i> https://stokenewingtonschool.sharepoint.com/:f:/r/sites/geographydepartment/Shared%20Documents/KS5/Year%2012/Human/Regeneration/SNS%20Regeneration/Regeneration?csf=1&e=Iw7kpG	Rural Regeneration How have rural locations diversified and changed due to the UK’s changing economic structure? <i>Every week there will be a question which should be emailed to your teacher on the Friday.</i>	Assessment End of topic test on SMHW to be emailed to your teacher. Curriculum Check list also needs completing and areas of weakness revised. Will be on SMHW.	NEA Time Use this time to work on your coursework proposal	NEA Time Use this time to work on your coursework proposal
