

Stoke Newington School
& Sixth Form

JOB PACK

Science Teacher (fixed term)

Dear Applicant,

Thank you for applying for a pack for the post of **Science teacher (fixed term)** at Stoke Newington School and Sixth Form.

This is an exciting time to be working with us. We have an oversubscribed school, a diverse and enthusiastic student intake, a Science team well placed to continue to build on its current outstanding status, a lovely refurbished building and a senior leadership team who will support you fully in further raising achievement across every Key Stage.

You will be one of a strong team of teachers who are keen to develop consistently outstanding practice in teaching our diverse student intake. We expect you to be able and keen to teach across our full age range in Year 7 to Year 11. We also have a large Sixth Form, and in the future, there may be the possibility of teaching A level Science. Whatever age group you are teaching, we will expect you to be planning thoroughly for the engagement and progress of every student and to be promoting the enjoyment of Science. We will expect you to be an advocate for students following degrees in Science.

You must have excellent interpersonal skills, a strong team ethic, drive, determination and energy and the highest expectations of every student. You must be committed to excellent provision for our students in terms of classwork, homework and additional catch up/enrichment classes.

Best wishes,

Zehra Jaffer
Headteacher

Science teacher

Fixed term for 1 year

Full time

Start date: September 2020

Inner London Pay Scale

The School

This is an exciting opportunity to contribute to the development of a successful and popular 11-19 inner-city comprehensive school. The School is committed to a culture rooted in high expectations for all, which cultivates a love of learning and ambition for success, together with a strong sense of belonging and civic duty. We have a strong focus on creativity in our classrooms. We believe everyone has creative capacities and know that creativity is the skill of the future. Our students past and present are strong evidence of our success. We aim that every colleague has excellent professional development which leads to every student having an outstanding education

The Post

Due to the recent promotion obtained by a member of the Science team, we are looking for an outstanding Science teacher who will be able to teach KS3 and KS4 Science for the academic year 2020-21. You should be creative and dynamic in the classroom, ambitious for all students and committed to inclusion. This post could be particularly suitable for a person looking to complete their NQT year with an experienced team that can provide excellent support and challenge.

We provide very well-regarded professional development opportunities for all staff.

As employers, we are committed to safeguarding and promoting the welfare of children. A DBS clearance is a statutory requirement for all positions.

Contacting us

If you are interested in joining us and would like more information, then please contact Jesse Hershkowitz, Head of Science, at jes.her@sns.hackney.sch.uk

You can visit our website at <https://www.stokenewingtonschool.co.uk/jobs> to download an application pack. Please submit your application to recruitment@sns.hackney.sch.uk.

The closing date for applications is 9:00 am on Monday 20th April 2020. Interviews will then be held using Skype or Microsoft Teams.

We are an equal opportunities employer committed to ensuring diversity in our workforce.

Job description

TITLE OF POST: Fixed Term Science Teacher

ALLOWANCE: CPS

FUNCTION OF THE POST

To teach Science, including KS3 and GCSE classes. Other subjects may also be taught as identified by the Headteacher.

To contribute to the planning, evaluation and curriculum developments in the Science department for years 7-13.

MAIN TASKS AND RESPONSIBILITIES

1. To plan and teach high quality lessons at all times and to maintain a stimulating learning environment.
2. To implement the National Curriculum and relevant examination courses for Science across the age range.
3. To pitch teaching at a suitably challenging level for all students in accordance with school targets
4. To keep clear records in accordance with department and school policy, and to assess, monitor and report on individual pupils' work.
5. To mark books at least fortnightly in accordance with principles of assessment for learning
6. To help with the smooth running of the department by undertaking tasks as requested and directed by the head of department.
7. To ensure all students make excellent progress through well planned, differentiated classwork and determined follow-up and support
8. To ensure all students make excellent progress through setting and marking homework
9. To be a form tutor or associate tutor.
10. To attend parents' evenings.

11. To attend school meetings as directed the department or by the Headteacher.
12. To carry out all responsibilities in accordance with the school's and the Authority's equal opportunities policies.

SELECTION CRITERIA

Skills & Abilities

1. Ability to work hard under pressure.
2. Ability to use I.T. effectively in teaching
3. Ability to be effective in record keeping
4. Good communication and organisational skills.
5. Good interpersonal skills and a strong ability to work collaboratively.
6. Excellent creative teaching ability.
7. Ability to convey enthusiasm for Science at all levels
8. Commitment to personal career development.
9. Capacity to be a strong tutor who values and cares for each student in their form group

Knowledge and Understanding

Knowledge and understanding of the recent developments in the National Curriculum for Science.

Understanding of planning differentiated lessons and Schemes of Work.

Knowledge of the importance of appropriate planning, assessment for learning and homework.

Equal Opportunities

1. Highest ambition for the Science achievement of every student
2. Understanding of the needs of different students, and the appropriate policies and strategies to support them.
3. Understanding of the needs of bilingual students.

Experience

Successful experience of teaching Science to students of all abilities.

Qualifications

Qualified teacher status.

Excellent degree in Science or related subject.
