

Finance and Resources Director

A fantastic opportunity to lead the operations of a north London school and to make an extraordinary difference to pupils. Stoke Newington School and Sixth Form is a successful Hackney 11-19 comprehensive school with over 1500 students.

We are looking for a dynamic senior leader to manage our resources in order to have an outstanding impact on the experience and future of every one of our students.

See our website for details: www.sns.hackney.sch.uk

Stoke Newington School and Sixth Form is an 11-19 mixed, comprehensive secondary school in Hackney. The school is located in north Hackney in an award winning refurbished building. Stoke Newington School and Sixth Form was judged as good by Ofsted in 2013.

We believe that all our students can achieve excellence and that they deserve the very best teachers and resources to reach their potential. The school offers an ambitious and supportive curriculum and a broad enrichment programme.

We are seeking to appoint an outstanding Finance and Resources Director (FRD) who will work as part of a strong leadership team, leading all aspects of operations at our award winning facility. The FRD will provide overall strategic leadership of all aspects of school operations, including HR, finance, communications, facilities, catering, ICT and administration.

You will be a central member of the Senior Leadership Team, operating collaboratively with the headteacher and other SLT members on key decisions to maintain the strong relationship between the operational and educational aspects of the school.

Our ideal candidate will:

- have a Business Management qualification or professional accountancy qualification
- have experience of leading finance, HR, premises management and other aspects of education administration, including developing strategy for these areas
- be committed to the welfare, and education of children
- have a good understanding of working in the public sector
- have experience of financial planning and managing budgeting and reporting processes in an organisation
- have strong communication, interpersonal, and negotiating skills
- be able to work well with external partners
- have experience of project leadership and management
- have extensive experience of managing and motivating staff, including building and developing teams
- support the school's high aspirations and high expectations of self and others

As a member of staff at SNS, you will have an opportunity to participate in and contribute to our stimulating programme of CPD focused on sharing and improving practice across all functions.
